JACKSONVILLE, FLA. 1/24/40

Mr. Abe Manley,
101 Montgomery St.
Newark, N. J.

My Dear Abe:

In reply to your letter of Jan. 4th.
I am just wondering what the situation
is at Savannah, Ga. The park at Sav-
annah is a municipally owned park and
is leased every season to the Savannah
Club of the South Atlantic League. Did you
make arrangements to play exhibition
games in this park while you were there,
if you have you have an excellent spot.

Just as soon as the South Atlantic
League schedule is released I will send
same to you to ascertain open dates,
will also find out what schedule games
they have and about their Spring training.
In other words, will let you know when
and how often you can play there and I
will do what I can to spot you with
my Club at other points. If you have
gotten the park about what time do you
expect to leave to Savannah & when do
you have going North. Let me have
this information as soon as possible.

With best wishes for a successful season &
best personal regards I remain, yours truly
J. A. Green
